

## General Information

Dear Parents, We are nearly approaching the spring months and will be starting our gardening club. The children will be planting vegetables, herbs and flowers. They will be helping them to grow and watching them develop learning about the different life cycles. We are hoping that the children get to have a taste of their own produce. We have a small green house which will be going up this week, where the children will be growing their strawberries, tomatoes, peas and runner beans. Please keep updated with our social media if you would like to see what our little gardeners are up to.

### **CORONAVIRUS**

Please be aware of the signage we have around the nursery. We are ensuring that we keep the nursery as clean and as sterile as possible. Please could I ask that when arriving and leaving the nursery if you could use the hand sanitizers or wash hands when entering or leaving the building. We will keep you updated with any further updates from the government. If your child is sick please remember the immunization periods to ensure that we keep infection under control. Thank You.

Reviews – If you are happy with the childcare that we provide here at Monkey Puzzle, and have a bit of spare time please log on and give us a quick review. Thankyou!

## March 2019

### Topics of the month

Pre-School – Space.

Toddlers – Dinosaurs

Babies- Transport

**A follow up email will be sent with detail**

We have been taking the children out on short trips in the local area. Above the children went shopping to choose the ingredients that they wanted for their home made pizzas. They enjoyed being grown up and responsible!

## DATES FOR YOUR DIARY

### STAFF CHANGES

#### Parents Week

World Book Day – Thursday the 5<sup>th</sup> of March the children will be celebrating World Book Day. They can dress up as their favourite book character and also bring along their favourite book to share with their friends. We will be doing 'The Tiger Who Came to Tea' here at nursery where we will be enjoying the book with props and also having a Tigers picnic to really embrace the story. Please bring £1 donation. All donations made will be going towards new books for the nursery.

Coffee Morning/ Breakfast- Mon 18<sup>th</sup> of March - Please join us for a bit of breakfast and a hot drink before you dash off to work or run your daily errands. This is a nice little social event where you can get to know other parents, arrange play dates, and have a chat with management. Please complete attendance if you would like to join us.

Mother's Day Pottery class – Please join us for a pottery session with your little one to celebrate Mother's Day this year. Have fun getting messy creating a piece of art with your child. The children will love showing off their Mummies spending some quality time with you in a place they learn, grow and play. Please complete attendance if you will be joining us.

### STAFF CHANGES

We currently have 5 students from Kingston College that all do voluntary hours with us. They all have current DBS checks and are here for 2 days per week.
